Subject: CES: Vacuum Boxes
Date: Wednesday, July 08, 2015 3:07:00 PM

Terry:

There are 2 boxes remaining at Veolia. I was told that one of them has just gotten completed and the other is in the process of being burned. I suspect the last one will be completed soon and then the boxes sent to be cleaned and then off rent. Hopefully, by next week everything will be completed.

Thanks
